**King County International Airport
Boeing Field**

BFI AIRPORT ADVISORY

DATE: Wednesday, April 1, 2016

TO: King County International Airport Tenants
Distributed via e-mail

FROM: Randall D. Berg A.A.E, Airport Director

SUBJECT: Perimeter Fence Reinforcement

In our ongoing effort to enhance Airport Security, we have commenced a Perimeter Fence Reinforcement Project with physical security reinforcement of the fencing in various locations.

The contractor's work is expected to last approximately ten (10) weeks and will be closely coordinated with the Airport Staff to ensure minimal tenant impacts.

We appreciate your continued effort in keeping the airport safe and secure.
Please contact Airport Operations at 206-296-7334 with questions.
